Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Saturday 23 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Saturday mainly fine with chance of rain later.

Today:
A largely dry and bright day for most areas, after another chilly start. A few light showers may affect the Pennines at times. Turning generally cloudy and windy by the afternoon, with chance of rain later in west. Maximum temperature 13 deg C (55 deg F).

Tonight:
A mild and windy night with mainly cloudy skies. Some rain may continue to affect the Pennines and Cheviots, but should be mostly light. Minimum temperature 8 deg C (46 deg F).

Sunday:
A band of showery rain will cross from the west during Sunday with scattered heavy showers following, along with some sunny spells. Mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:
Monday bright, breezy with scattered showers, dying out later. Fine start to Tuesday with some patchy rain for a time and freshening winds. Wednesday mild and windy with rain likely.
